CHURCH SUPPER WAS ENJOYABLE AFFAIR

One of the most enjoyable affairs of the season was the supper given Friday evening by the men of the M. E. Church in the church basement. About 125 people attended and greatly enjoyed the excellent meal which was prepared and served by the men, who proved themselves to be first class cooks.

The menu was as follows:
Roast beef Gravy
Mashed potatoes Corn
Ice cream Salad Cake
Coffee

Yes, the men baked the cakes too, and they were delicious. R. A. Armstrong had the role of head waiter and was all dolled up for the occasion, swallow-tailed coat and all, even to the boutonniere. The other waiters were Messrs. Lunsden, Weaver, Whellock, Broderick, Cooper, Rawson, Alex Kennedy, Dan Kennedy.

The kitchen was in charge of E. D. Householder, W. L. Johnson, Zack Miles and E. E. Weaver, all well attired in white coats and caps.

The program was given by the ladies, Mrs. U. V. Walton, President of the Woman's Missionary Society, presiding as toastmistress. She expressed appreciation of the efforts put forth by the men in serving the supper and complimented them highly on their splendid cooking. Mrs. W. C. Rawson and Mrs. Horace Cooper gave a guitar and mandolin duet accompanied on the piano by Osmond Rawson. They responded to a hearty encore.

Mrs. H. D. De Bois gave an original toast using "salad" as her subject with "Man" as a comparison. She said that men, like salads, were a mixture and spoke of the good, bad and indifferent qualities of the opposite sex. She wound up by saying that "after all the women could not get along without them" and asked all the ladies to stand and drink with her to the health of the men.

Messdames Rawson, Householder and Stanley each gave toasts to the gentlemen cooks.

Mrs. Weaver Brier gave a toast to the bachelor and Mrs. Cooper was asked to tell which was to be preferred, a good cook or an automobile. After considering the good qualities of each she decided it was well to have both and she said a woman was fortunate who possessed a husband that could cook and who was also an automobile mechanic. R. A. Armstrong, Rev. Lyons, R. H. Alexander and W. L. Johnson made response to the toasts. Mrs. J. A. Mc Neil sang a solo and was heartily encored. She and Mrs. Cooper responded with a vocal duet.

The evening was a pleasant one and the ladies sincerely hope that the gentlemen will not let this be the last supper but will give another in the near future.

"PASSING OF THE LITTLE RED SCHOOL HOUSE"

"Passing of the Little Red School House" to be presented on the screen Monday night, February 6th, and 7th Tuesday evening at the court house. The public is invited to attend this meeting and a large crowd is desired. This screen production represents the consolidation of districts beautifully illustrating the transportation of children to and from school. The school plan and equipment provided by the larger unit of taxation. The teachers and the eschewed courses that are able to be furnished through such consolidation and other interesting phases of educational problems with which we are confronted today.

More can be learned about consolidation and its benefits and the advantages of transportation in a few minutes by seeing this picture, than by hours of study or reading. All patrons of the school, teachers and trustees ought to be present. The picture will be put on the screen in the Safford Theatre. Following "The Passing of the Little Red School House" it is anticipated there will be a good comedy of two reels.

Dr. Curtis who will be one of the lecturers at Institute will deliver a lecture on educational problems following these productions. Come early so as to not miss securing a seat. Remember no admission charges and a good lecture free of charge by Dr. Curtis.

A dance will be given at Layton Hall Tuesday evening February, 7th, following the teachers institute. The teachers and trustees of the County are especially invited. Music will be furnished by the Happy Jack Orchestra.

During the evening the Graham County Music Club will give four musical numbers and the Happy Jack Orchestra will furnish several selections.

cate that if Graham County had her money available at this time we might be in better shape to have this road designated as a primary road. He further said "No primary or secondary highway will be designated in Arizona until it is definitely announced whether or not the Government will force the state to pave such designated roads." Our plan is to secure the maximum amount of Federal Aid on state highways regardless of primary or secondary designation. The Southern route across Arizona has received more Federal Aid than any other highway in Arizona, and it is time that some of the Federal Aid was put on some other roads through the state.

LATER SUGGEST PRIMARY HIGHWAY FROM YUMA

In direct opposition to the vote cast at the Arizona Good Roads meeting in Nogales, the bureau of public roads has recommended that the road from Yuma to Duncan, by the way of Phoenix and Globe, be made a primary highway, the remainder of the money to be placed on the northern route across Arizona, between Topock and Lupton, by the way of Kingman, Ash Fork and Flagstaff.

This was the word received yesterday by the state highway department from the bureau of public roads. According to the vote at the Nogales meeting, request was made that the primary road be routed from Rodeo through Douglas, Tombstone, Tucson, Florence, Phoenix, Gila Bend and Yuma, which does not meet with the approval of the bureau.

The bureau also suggested that the road between Tucson and Phoenix by the way of Florence be changed to Casa Grande. This would eliminate the town of Florence and the present Gila bridge. It further recommends that the state take off the 7 per cent system the Nogales-Fairbanks highway, using this mileage between Holbrook and Lupton.

A Judicious Inquiry

A well known traveling man who visits the drug trade, says he has often heard druggists ask a customer, who wished to buy a cough medicine, whether it was for a child or an adult and if for a child, they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for colds, croup and whooping cough it is unsurpassed. adv
